Annual Institutional plan of action for internal evaluation

The College's internal assessment process is outlined in the Annual Institutional Plan of action, which focuses primarily on the assessment of student learning and assessment of academic programs. Our college prepares proper schedule that includes the relevant information regarding dates of semester-wise internal practical examination and house test examination.

The salient features of Annual Institutional plan of action for internal evaluation are as follows:

- The internal assessment criteria of Dr.BAMU University are followed for the distribution of marks in each subject. At the beginning of the semester, faculty members inform the students about the various components in the assessment process during the semester.
- The academic progress of students is regularly monitored by implementing a strategy of continuous internal evaluation through seminars, project work, unit test, and house test examinations.
- There is complete transparency in the internal assessment. The internal assessment once ready is displayed on the notice boards for the students and they can come and discuss with the teacher show to Improve In the next semesters If there is a need.
- All students' academic, co curricular and extra-curricular activities of Students are evaluated internally based on performance.
- Timely feedback is given to the students on the answers written by them. Elaborate discussion sessions on question papers are also conducted in the classrooms to enhance their performance.
- On the basis of their achievement remedial and enrichment classes are held.
- Mentoring/tutorial support is provided to the students throughout the year.
- There is a strong provision of answering question papers, attempting assignments and making presentations bilingually in order to provide a platform to the students to express themselves fully.
- The college also offers the option to respond to while giving viva-voice answers bilingually.
- The institute guarantees the evaluation system's security and transparency.
