**5.3.1- Copy of constitution of student council signed by the Principal**

Our institution has a student council body and it has been aptly named as "Youth Welfare Committee (YWC)". It provides a platform for students to raise voice and to be heard. The students for this committee are elected every year at the start of the academic year. YWC is constituted in order to have a spirit of doing service, to organize the cultural programmers like talent search function and youth festival, celebration of days of national and international importance and its members act as a link between students and the faculty members, and the college. They forward the grievances and genuine demands of the students to the administration. The expenses for the activities undertaken by the committee are funded by the college. The student representatives coordinate various activities and responsibilities entrusted by the faculties to them. Meeting of the representative body and college administration takes place regularly to work out different activities of the college.
